WHAT WE ARE:
The GELS (Gender Equity and Leadership in Sexuality) is a student living and learning community that focuses on the following goals:

- Developing a safe and supportive environment for all people at URI
- Improving the campus climate
- Addressing issues of equity
- Exploring concepts related to gender and sexuality

“[Through GELS] I’ve met a phenomenal and diverse group of people with a passion for promoting equality and education on campus. It is a loving and close-knit community of people working together, learning together, and supporting one another in a way that creates a safe and encouraging atmosphere. A fabulous way to get involved on campus; the GELS LLC is the place to be,” **Testimony from a first year student living in GELS**
